5H. Trump Tweets September 9, 2019 — The Trump Administration has achieved more in the first 2 1/2 years of its existence than perhaps any administration in the history of our Country. We get ZERO media credit for what we have done, and are doing, but the people know, and that's all that is important!

5l. Trump Tweets September 9, 2019 — I had nothing to do with the decision of our great @VP Mike Pence to stay overnight at one of the Trump owned resorts in Doonbeg, Ireland. Mike's family has lived in Doonbeg for many years, and he thought that during his very busy European visit, he would stop and see his family!

5M. Trump Tweets September 9, 2019 — ...But most importantly, @CNN is bad for the USA. Their International Division spews bad information & Fake News all over the globe. This is why foreign leaders are always asking me, 'Why does the Media hate the U.S. sooo much?' It is a fraudulent shame, & all comes from the top!

5N. Trump Tweets September 9, 2019 — Great news that an activist investor is now involved with AT&T. As the owner of VERY LOW RATINGS @CNN, perhaps they will now put a stop to all of the Fake News emanating from its non-credible 'anchors.' Also, I hear that, because of its bad ratings, it is losing a fortune.....

5P. Trump Tweets September 9, 2019 — House Republicans should allow Chairs of Committees to remain for longer than 6 years. It forces great people, and real leaders, to leave after serving. The Dems have unlimited terms. While that has its own problems, it is a better way to go. Fewer people, in the end, will leave!
