5M. Trump Tweets March 9, 2020 — Elizabeth 'Pocahontas' Warren singlehandedly destroyed the Bernie Sanders campaign by stripping voters away from his count on Super T. He lost states that he easily would have won if she had dropped out 3 days earlier. The DNC is doing it to Bernie again! Will he ever get angry?

5O. Trump Tweets March 9, 2020 — The Fake News Media and their partner, the Democrat Party, is doing everything within its semi-considerable power (it used to be greater!) to inflame the CoronaVirus situation, far beyond what the facts would warrant. Surgeon General, 'The risk is low to the average American.'
