I wonder what the Failing New York Times got for this one? Are there any NAMED sources? They were recently thrown out of China like dogs, and obviously want back in. Sad!

5S. Trump Tweets April 12, 2020 — Governor @GavinNewsom of California has been very nice & highly supportive about the great job we have done, working together, for California. That is the good news, but this is the bad. He is unfairly under attack by the Radical Left Dems, MSDNC etc. He is strong! Will he fold?
