5B. Trump Tweets May 13, 2020 — As I have said for a long time, dealing with China is a very expensive thing to do. We just made a great Trade Deal, the ink was barely dry, and the World was hit by the Plague from China. 100 Trade Deals wouldn't make up the difference - and all those innocent lives lost!

5C. Trump Tweets May 13, 2020 — When the so-called 'rich guys' speak negatively about the market, you must always remember that some are betting big against it, and make a lot of money if it goes down. Then they go positive, get big publicity, and make it going up. They get you both ways. Barely legal?
