Trump Tweets May 26, 2020 — For all of the political hacks out there, if I hadn't done my job well, & early, we would have lost 1 1/2 to 2 Million People, as opposed to the 100,000 plus that looks like will be the number. That's 15 to 20 times more than we will lose. I shut down entry from China very early!
