# Daily Survey: Trump Tweets

June 15 - 17, 2020 - 1000 US adult citizens

**5D. Trump Tweets June 15, 2020 — Our testing is so much bigger and more advanced than any other country (we have done a great job on this!) that it shows more cases. Without testing, or weak testing, we would be showing almost no cases. Testing is a double edged sword - Makes us look bad, but good to have!!!**

**5G. Trump Tweets June 15, 2020 — I've done more in less than 4 years than Biden's done in more than 40 years, including for Black America. Biden has been a part of every failed decision for decades. Bad Trade Deals, Endless Wars, you name it, he has shown a complete lack of leadership. He's weak & shot!!!**
