5N. Trump Tweets June 18, 2020 — Bolton's book, which is getting terrible reviews, is a compilation of lies and made up stories, all intended to make me look bad. Many of the ridiculous statements he attributes to me were never made, pure fiction. Just trying to get even for firing him like the sick puppy he is!

5U. Trump Tweets June 18, 2020 — Wacko John Bolton's 'exceedingly tedious'(New York Times) book is made up of lies & fake stories. Said all good about me, in print, until the day I fired him. A disgruntled boring fool who only wanted to go to war. Never had a clue, was ostracized & happily dumped. What a dope!
