5B. Trump Tweets July 30, 2020 — Germany pays Russia billions of dollars a year for Energy, and we are supposed to protect Germany from Russia. What's that all about? Also, Germany is very delinquent in their 2% fee to NATO. We are therefore moving some troops out of Germany!

5C. Trump Tweets July 30, 2020 — Mail-In Voting is already proving to be a catastrophic disaster. Even testing areas are way off. The Dems talk of foreign influence in voting, but they know that Mail-In Voting is an easy way for foreign countries to enter the race. Even beyond that, there's no accurate count!
