2A. Trump Tweets September 27, 2020 — I will be strongly demanding a Drug Test of Sleepy Joe Biden prior to, or after, the Debate on Tuesday night. Naturally, I will agree to take one also. His Debate performances have been record setting UNEVEN, to put it mildly. Only drugs could have caused this discrepancy???

He is desperate to get back into the good graces of the people who not only badly beat him, but made him look like a total fool. Now he's committed a serious crime!
