2B. Trump Tweets November 27, 2020 — I gave a long news conference today after wishing the military a Happy Thanksgiving, & realized once again that the Fake News Media coordinates so that the real message of such a conference never gets out. Primary point made was that the 2020 Election was RIGGED, and that I WON!

Here are some comments Donald Trump made on Friday, November 27, 2020. Please rate them.

Daily Survey: Trump Tweets

November 27 - 30, 2020 - 1000 US Registered Voters

2C. Trump Tweets November 27, 2020 — Twitter is sending out totally false 'Trends' that have absolutely nothing to do with what is really trending in the world. They make it up, and only negative 'stuff'. Same thing will happen to Twitter as is happening to @FoxNews daytime. Also, big Conservative discrimination!

2J. Trump Tweets November 27, 2020 — No, the 2020 Election was a total scam, we won by a lot (and will hopefully turn over the fraudulent result), but we must get out and help David and Kelly, two GREAT people. Otherwise we are playing right into the hands of some very sick people. I will be in Georgia on Saturday!

20. Trump Tweets November 27, 2020 — Biden can only enter the White House as President if he can prove that his ridiculous '80,000,000 votes' were not fraudulently or illegally obtained. When you see what happened in Detroit, Atlanta, Philadelphia & Milwaukee, massive voter fraud, he's got a big unsolvable problem!

Daily Survey: Trump Tweets

November 27 - 30, 2020 - 1000 US Registered Voters

2Q. Trump Tweets November 27, 2020 — Biden did poorly in big cities (Politico), except those of Detroit (more votes than people!), Philadelphia, Atlanta and Milwaukee, which he had to win. Not surprisingly, they are all located in the most important swing states, and are long known for being politically corrupt!

Here are some comments Donald Trump made on Friday, November 27, 2020. Please rate them.

Daily Survey: Trump Tweets

November 27 - 30, 2020 - 1000 US Registered Voters

Interviewing Dates	November 27 - 30, 2020
Target population	U.S. Registered Voters, aged 18 and over.
Sampling method	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2016 American Community Study. Voter registration was imputed from the November 2016 Current Population Survey Registration and Voting Supplement.
Weighting	The sample was weighted based on gender, age, race, education, news interest, and 2016 Presidential vote. The weights range from 0.204 to 6.619, with a mean of one and a standard deviation of 1.241.
Number of respondents	1000
Margin of error	± 4.9% (adjusted for weighting)
Survey mode	Web-based interviews
Questions not reported	69 questions not reported.
