It fails to terminate the internationally dangerous Section 230, won't allow us to bring our troops back home (where they belong), renames & destroys our forts & National Monuments, & makes 5G almost impossible!

2K. Trump Tweets December 26, 2020 — The lockdowns in Democrat run states are absolutely ruining the lives of so many people - Far more than the damage that would be caused by the China Virus. Cases in California have risen despite the lockdown, yet Florida & others are open & doing well. Common sense please!
