2G. Trump Tweets January 1, 2021 — I hope to see the great Governor of South Dakota @KristiNoem, run against RINO @SenJohnThune, in the upcoming 2022 Primary. She would do a fantastic job in the U.S. Senate, but if not Kristi, others are already lining up. South Dakota wants strong leadership, NOW!

2M. Trump Tweets January 1, 2021 — Our Republican Senate just missed the opportunity to get rid of Section 230, which gives unlimited power to Big Tech companies. Pathetic!!! Now they want to give people ravaged by the China Virus \$600, rather than the \$2000 which they so desperately need. Not fair, or smart!
