2Q. Trump Tweets January 2, 2021 —Just a small portion of these votes give US a big and conclusive win in Georgia. Have they illegally destroyed ballots in Fulton County? After many weeks, we don't yet even have a judge to hear this large scale voter fraud case. The only judge seems to be Stacey's sister!

2R. Trump Tweets January 2, 2021 — Why haven't they done signature verification in Fulton County, Georgia. Why haven't they deducted all of the dead people who 'voted', illegals who voted, non Georgia residents who voted, and tens of thousands of others who voted illegally, from the final vote tally?
