2I. Trump Tweets January 3, 2021 — Republicans in Georgia must be careful of the political corruption in Fulton County, which is rampant. The Governor, @BrianKempGA, and his puppet Lt. Governor, @GeoffDuncanGA, have done less than nothing. They are a disgrace to the great people of Georgia!

He was unwilling, or unable, to answer questions such as the 'ballots under table' scam, ballot destruction, out of state 'voters', dead voters, and more. He has no clue!

2Q. Trump Tweets January 3, 2021 — The Swing States did not even come close to following the dictates of their State Legislatures. These States 'election laws' were made up by local judges & politicians, not by their Legislatures, & are therefore, before even getting to irregularities & fraud, UNCONSTITUTIONAL!
