# Daily Survey: Policies

<b>Interviewing Dates</b>	October 26 - 28, 2022
<b>Target population</b>	U.S. Citizens, aged 18 and over.
<b>Sampling method</b>	Respondents were selected from YouGov's opt-in Internet panel using sample matching. A random sample (stratified by gender, age, race, education, geographic region, and voter registration) was selected from the 2019 American Community Survey.
<b>Weighting</b>	The sample was weighted according to gender, age, race, education, 2020 election turnout and Presidential vote, baseline party identification, and current voter registration status. Demographic weighting targets come from the 2019 American Community Survey. Baseline party identification is the respondent's most recent answer given prior to March 15, 2022, and is weighted to the estimated distribution at that time (33% Democratic, 28% Republican). The weights range from 0.305 to 6.518, with a mean of one and a standard deviation of 0.542.
<b>Number of respondents</b>	1000
<b>Margin of error</b>	± 3.5% (adjusted for weighting)
<b>Survey mode</b>	Web-based interviews
<b>Questions not reported</b>	59 questions not reported.
