The Government is due to announce plans to make banks separate their retail and investment operations. These measure are designed to make the banking system safer by ensuring that people's savings are kept separate from bank's riskier trading operations. Some people have criticised the plans stating that they will not make the banking system safer and will result in more expensive financial products for ordinary people.

To what extent do you support or oppose these plans?

Strongly support	18	24	16	26	21	15	20	24	13	10	13	19	27	19	18	22	19	15	20	15
