

YouGov/SixthSense Survey Results

Sample Size: 5142

Fieldwork: 24 - 26 June 2011

Total	Gender		Social Grade		Age /Sex							
	Male	Female	ABC1	C2DE	Male 18-24	Male 25-39	Male 40-54	Male 55+	Female 18-24	Female 25-39	Female 40-54	Female 55+

q21. Which of the following, if any, do you feel are drawbacks in NHS hospitals? You may choose as many as apply.

	Unweighted Base	5142	2373	2769	2958	2184	262	483	605	1023	311	646	659	1153
	Base	5142	2473	2669	2828	2314	314	638	679	843	303	663	715	987
They are inefficient														
The staff do not have time to spend with patients														
The food is poor														
You have a high chance of catching secondary infections														
They are dirty														
Facilities are poor														
There is a lack of privacy		52%												
Visiting hours are restrictive														
Many of the doctors/nurses speak poor English														
None of these														
Don't know														

q22. Which of the following positive aspects, if any, best describes how you feel about private hospitals? You may choose as many as apply.

	Unweighted Base	5142	2373	2769	2958	2184	262	483	605	1023	311	646	659	1153
	Base	5142	2473	2669	2828	2314	314	638	679	843	303	663	715	987
The treatment you get is second to none														
There is adequate back up if something goes wrong														
The staff really care about the patients														
The food is good														
There is adequate infection control														
They are clean														
They have good facilities (e.g. bathrooms)														
There is adequate privacy		39%												
Everything runs to schedule														
None of these														
Don't know
